DOCKET NO. 0004

PUBLIC CONSENT ORDER

By agreement of the Georgia Athletic and Entertainment Commission (“Commission”) and Undisputed Productions, LLC, and David Oblas, Registered Agent (“Respondent”), the following disposition of this matter is entered pursuant to O.C.G.A. § 50-13-13(a)(4).

FINDINGS OF FACT

1.

Respondent is licensed to practice as a mixed martial arts promoter in the State of Georgia and was so licensed at all times relevant to the matters stated herein.

2.

Respondent is co-publisher of *Georgia Fighters* magazine. In the magazine, Respondent published a “Georgia Fighters Championship ranking.” Respondent identified the rankings in the magazine as being “approved and endorsed” by the Commission. However, this statement was false and knowingly made by Respondent in direct contravention of the Commission’s instructions regarding the rankings.

3.

Respondent’s actions are in violation of Commission Rule 85-1-.05(4).

4.

Respondent admits to the Findings of Fact contained herein.

CONCLUSIONS OF LAW

Respondent's conduct constitutes sufficient grounds for disciplinary action under O.C.G.A. Ch. 4B, T. 43, as amended, and the rules promulgated thereunder. Respondent hereby waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Commission, having considered all the facts and circumstances of this case, hereby orders, and Respondent hereby agrees, that the following restrictions shall be imposed upon Respondent's license to operate as a promoter in a match, contest, or exhibition of mixed martial arts in the State of Georgia:

1.

Beginning on the date of docketing of this order, Respondent's license shall be placed on probation for a period of one (1) year with the following terms and conditions of probation:

(a) Advertising. For the duration of the period of probation, each time *Georgia Fighters* magazine is published, Respondent shall place a prominent and clear notice in the magazine that the magazine's mixed martial arts and/or boxing rankings are NOT endorsed by the Commission and that any previous statement contrary to that effect is hereby retracted;

(b) Abide by Applicable Laws, Rules, and Terms. Respondent shall abide by all State and Federal laws relating to the practice of mixed martial arts promotion in the State of Georgia, the Rules and Regulations of the Commission, and the terms of this Consent Order. Failure of Respondent to abide by any terms in this Consent Order shall be deemed to be a violation of this Consent Order. If Respondent fails to abide by such laws, rules or terms,

following substantiation by the Commission, Respondent's license may be suspended by the Commission. The Commission shall notify Respondent of the suspension of his license and Respondent may respond to such notification in writing or request an appearance before the Commission or its representative as in a non-contested case;

(c) Termination. Respondent shall be bound by the terms and conditions of this Consent Order until the Commission issues a notification of termination. Not sooner than thirty (30) days prior to the end of the period of probation, Respondent may petition for termination by certifying under oath before a notary public that he has complied with all conditions of this consent order and by providing documentation supporting discharge. The Commission shall review and evaluate the practice of Respondent and the Commission, in its sole discretion, shall be authorized to restore all rights and privileges incident to the license of Respondent. Upon notification by the Commission of their intention to maintain or extend the duration of the probation, Respondent may respond to the Commission in writing or request an appearance before the Commission or its representative as in a non-contested case. This Order shall remain in effect pending a final determination by the Commission and notification that the probationary period has terminated.

2.

Respondent shall submit to the Commission a fine in the amount of five hundred dollars (\$500.00) to be paid in full by cashier's check or money order payable to the Commission within thirty (30) days of the effective date of this Consent Order. Failure to pay the entire amount of the fine by the 30th day shall be considered a violation of this Order and shall result in further sanctioning of Respondent's license, including revocation, upon substantiation thereof.

3.

This Consent Order and the dissemination thereof will serve as a public reprimand to Respondent for his conduct.

4.

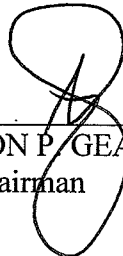

Approval of this Consent Order by the Commission shall in no way be construed as condoning the Respondent's conduct and shall not be construed as a waiver of any of the lawful rights possessed by the Commission. This Consent Order shall not become effective until approved and docketed by the Commission.

5.

Respondent acknowledges that he has read this Consent Order and that he understands its contents. Respondent understands that he has the right to a hearing in this matter, and Respondent freely, knowingly and voluntarily waives such right by entering into this Consent Order. Respondent understands that this Consent Order will not become effective until approved and docketed by the Commission. Respondent further understands and agrees that the Commission shall have the authority to review the investigative file and all relevant evidence in considering this Consent Order. Respondent further understands that this Consent Order, once approved, shall constitute a public record that may be disseminated as a disciplinary action of the Commission. If this Consent Order is not approved, it shall not constitute an admission against interest in this proceeding, or prejudice the ability of the Commission to adjudicate this matter. Respondent consents to the terms and sanctions contained herein.

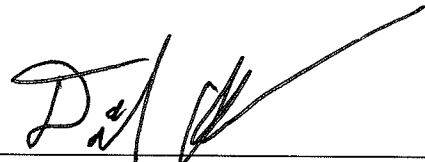

Approved, this 22 day of September, 2011.
